DRINKING ABOUT HISTORY: HERE WE GO A-CAROLING

Friday, December 8th 7 -9 pm Adults only! Free, but fundraiser donations gratefully accepted.

Find the perfect pairing of drinks & thinks as our popular series returns with a holiday installment. This is no ordinary beer tasting as we'll sample traditional egg nog, explore seasonal ciders, and get a taste of traditional Scandinavian holiday grog. All of this while learning about the often delightful, strange, or serendipitous origins of the Christmas carols we may or may not know by heart.

CHRISTMAS CRAFTERNOONS

Get crafty for Christmas with some time-honored holiday craft traditions. String some popcorn for your tree, make paper chains, cut some folded paper snowflakes, or learn to spool knit with your own take home spool knitter. We'll put on some festive music and get hands-on for the holidays!
