VALENTINE MAILBOXES MAKE & TAKE

Saturday, February 10th, from 11am - 3pm at the Lake Jackson Historical Museum. FREE!

Design and make you own valentine mailbox. Will you go with classic red hearts or mix it up? Are you sticking with a square box or thinking of an original creation? Get hands-on with history as we continue the tradition of homemade valentine mailboxes.

DRINKING ABOUT HISTORY: BOOZE ON THE BAYOU

Friday, March 9th, from 7pm- 9pm. This is a free fundraiser so drop a donation in the box!

Our popular after-hours history series for adults is back-- get in the "spirit" as we explore the hard liquor history of Brazoria County with Historian Michael Bailey. Hear about rumrunning in backwaters & bays, moonshining during prohibition and get a taste of history (literally) as we sample some whiskey and maybe crack open Mr. Bailey's private historic stash. Take a shot at learning history while you support your museum!

GAME ON!

All week long from March 13th to March 17th at the Lake Jackson Historical Museum FREE!

Visit the museum during Spring Break week for a museum full of games. We'll set up tables for board games-- play ours or bring your own-- card games, historic games, indoor and outdoor games. Get your game on at the museum when you play an old favorite or learn a new way to play!

Look for us at **CENTER FEST** at the Center for Arts & Sciences, April 6, 7, & 8!

And **CLASSIC MOVIES** every Saturday at the Lake Jackson Historical Museum. Enjoy a vintage film treat - cowboys! drama! pirates! horror! musicals! - all from an original 1943 seat in our Lake Theater Exhibit. The chosen movie plays all day.
